

Bartend Long Island

Portable Bar Setup Guide

Quick visual guide for bartenders – follow each step for a professional, consistent setup.

Step 1 – Unfold the Frame

Remove from case and unfold. Ensure Velcro strips face outward.

Step 2 – Position the L-Shape

Extend swing arm for the 'L' shaped service layout.

Step 3 – Install Bottom Shelves

Shelves are labeled underneath. Hook securely over frame.

Step 4 – Install Cooler Shelf

Insert cooler shelf and drop in cooler securely.

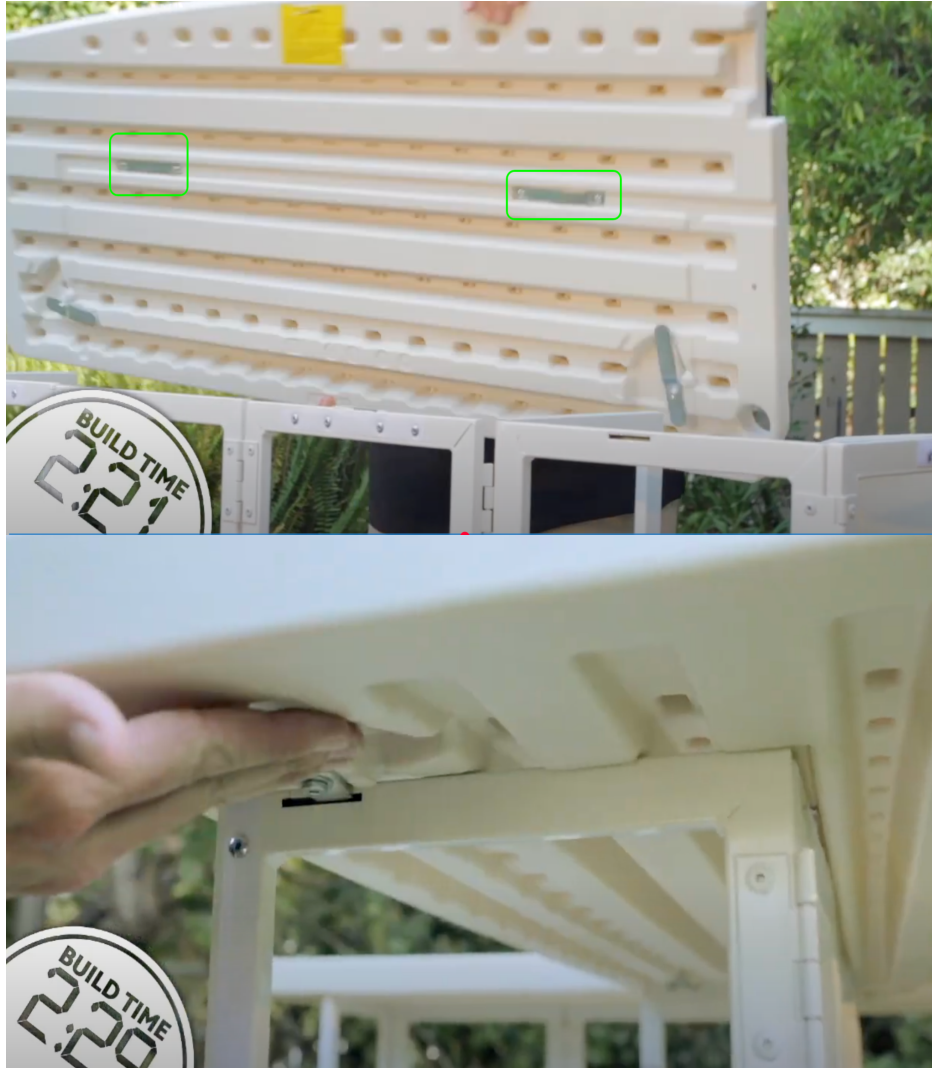

Step 5 – Attach Top Shelves

Secure with magnetic strips + locking latches.

Step 6 – Attach Fabric Wrap

Align Velcro along top & sides. Keep wrap tight and clean.

Step 7 – Final Check

Before service, confirm: Velcro facing outward L-shape positioned correctly Shelves hooked and secure Cooler shelf + cooler in place Top shelves locked with magnets Wrap tight, clean, and professional
